Records Center Storage Box

The GSA Federal Records Center has developed, tested and approved a new type storage box. This box has been assigned stock number 8115-003-0025 by the Federal Supply Service.

When it is necessary to replenish the stock of Records Center storage boxes, stock number 8115-290-3379, at the Depot, the new type box, stock number 8115-003-0025, should be ordered. The maximum and minimum stock limits should remain the same and it should remain a B.S.C. item.
